SUBCOMMITTEE ON INTERNATIONAL TRADE AND FINANCE
OF THE
ECONOMIC INTELLIGENCE COMMITTEE

AGENDA

for meeting to be held in Room 1121 Tempo M Building at 1500 hours,
28 October 1958

1. Revision of Subcommittee's Terms of Reference

The EIC has advised that each EIC Subcommittee revise its Terms of Reference in the light of DCID 3/1, and EIC-D-123/2. A draft of the revision is enclosed.

2. Distribution of research products for discussion and comments or for Subcommittee review.

3. Discussion of status of Subcommittee responsibilities on China.

4. Discussion of desirability of initiating under Subcommittee auspices periodic reporting on international trade in arms: It has been noted that there is no place in the intelligence community where information relating to international arms traffic is aggregated, collated, summarized and analyzed. While each service produces intelligence on the subject of international traffic in the arms for which it has a direct responsibility, there is no regular reporting on the totality of these movements by geographic area or on the economic effects of the trade on the countries concerned.

5. Discussion of research currently in progress or about to be initiated.
